Projecte Biometagàs la Galera

An aerial photograph of a biogas production facility. The scene features three large, white, dome-shaped anaerobic digesters arranged in a row. In the foreground, there is a concrete structure with a green tarp covering a pit. To the right, two tall, cylindrical silos are visible, with a red tractor and a yellow excavator nearby. The background shows a flat landscape with green vegetation under a clear blue sky. The text 'Projecte Biometagàs la Galera' is overlaid in the center in a bold, white font.
